ORDER NO. _____

**THIS DIRECTIVE SHALL NOT SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE:
SUCH ORDER SHALL BE ISSUED AS WRITTEN ORDER NO. 2011-474**

SUBJECT:

DOCKET NO. 2011-181-E - Progress Energy Carolinas, Incorporated's DSM/EE Cost Recovery Rider Application with Attached Direct Testimony and Exhibits of Robert P. Evans - Discuss this Matter with the Commission.

COMMISSION ACTION:

Move that we approve the implementation of Progress Energy Carolina's proposed DSM/EE Cost Recovery Rider effective July 1, 2011. Due to:

- 1) the preliminary nature of much of the evaluative data in the Application,
- 2) the proximity of the filing date of the ORS' review to the effective date of the rider, and
- 3) the eleventh hour petition to intervene and associated comments filed by Southern Alliance for Clean Energy and the Coastal Conservation League.

I further move that the Commission allow the Company until July 13, 2011, to respond to those filings. ORS may respond to the petition to intervene and associated comments by that same deadline. The Commission will thereafter issue an order ruling on the petition to intervene as well as whether to implement some or all of the recommendations contained in those filings.
